Education

Artificial Intelligence Engineer <i>Nanodegree.</i>	Udacity.com Feb. 2017 → May 2017
University of Washington <i>Post-baccalaureate researcher.</i>	Seattle, WA Oct. 2014 → Jan. 2016
New College of Florida <i>B.A., Chemistry/Biology (with honors)</i>	Sarasota, FL Aug. 2007 → May 2011
Harriet L. Wilkes Honors College <i>Early admission in lieu of a high school senior year.</i>	Jupiter, FL Sep. 2006 → May 2007

Academic Projects

Multisensory Integration in Mosquitos <i>Fairhall Lab, University of Washington</i>	Seattle, WA Oct. 2014 → Now
I created agent-based dynamical models of mosquito plume-seeking behavior using wind-tunnel flight data.	
Humpback Whale Census <i>Kimberley Community Whale Research Project</i>	James Price Point, Australia Aug. 2012 → Oct. 2012
A community-initiated peer-review of a study conducted by an oil conglomerate at the proposed site of the world's second-largest liquefied gas processing port. Our research revealed gross discrepancies in the original study.	
Honors Baccalaureate Thesis <i>Walstrom Lab, New College of Florida</i>	Sarasota, FL Aug. 2010 → May 2011
My capstone thesis project proposes a model for RNA Helicase A function in endogenous <i>C. elegans</i> RNAi pathways.	
Tutorials <i>New College of Florida</i>	Sarasota, FL Aug. 2007 → May 2011
I created courses with faculty supervision using New College's tutorial system. Highlights: "Quantitative RT-PCR", "Floridian Invasive Species", and "Synthesis of P450".	
Genomics Outreach for Minorities Project (NSF-REU) <i>Pallanck Lab, University of Washington</i>	Seattle, WA May 2010 → Aug. 2010
I helped establish a method to grow, stain, and image primary dopaminergic neural culture from <i>Drosophila</i> embryos in order to test whether Parkin and PINK1, proteins involved in Parkinson's disease, are recruited to depolarized mitochondria in dopaminergic neurons. This research was published in <i>PNAS</i> .	

Organic Synthesis of Cytochrome P450

Scudder Lab, New College of Florida

Sarasota, FL

Sep. 2008 → Nov. 2009

I partially synthesized precursors to a novel high-valent iron-stabilizing macrocycle based on the active site of cytochrome P450.

Summer Undergraduate Research Program (NSF-REU)

McCartney Lab, Carnegie Mellon University

Pittsburgh, PA

May 2009 → Aug. 2009

I determined that APC2, a protein with probable roles in colon cancer tumorigenesis, did not interact with β -catenin of the Wnt pathway's destruction complex. I determined that APC2's conserved N-terminal domain was not essential for its proper localization. This research was [published](#) in *Genetics*.

Independent Study Project

McCord Lab, New College of Florida

Sarasota, FL

Jan. 2008

I learned how to operate liquid chromatographs and analyze their spectra.

Presentations

Decal RB, Burman JB, Pallanck L. "Is Parkin Recruited to Damaged Mitochondria in Dopaminergic Neurons?" Society for Advancement of Chicanos and Native Americans in Science. Anaheim, CA. September 2010. Poster.

Decal RB, McCartney BM. "APC2 Does Not Interact with in the β -Catenin Destruction Complex". Annual Sigma Xi Conference. The Woodlands, TX. November 2009. Poster.

Decal RB, McCartney BM. "APC2 Does Not Interact with in the β -Catenin Destruction Complex". Annual Biomedical Research Conference for Minorities. Phoenix, AZ. November 2009. Poster.

Teaching & Outreach

Brain Awareness Week 2015. University of Washington, March 2015.

Upward Bound. University of Washington, July 2010.

Awards, Grants & Honors

NIH PA-12-149 Supplement Grant

University of Washington

Jan. 2015 → Jan. 2016

Florida “First Generation” Scholar (two-time recipient)

New College of Florida

Aug. 2009 → May 2011

Florida “Bright Futures” Scholar

New College of Florida

Aug. 2007 → May 2011

Four Winds Silver Scholar

New College of Florida

Aug. 2007 → May 2011

Student Research Grant

Dubois-Felsmann Research Endowment

Nov. 2010

Student Travel Grant

Dubois-Felsmann Research Endowment

Sep. 2009

ABRCMS Travel Award

American Society for Microbiology

Aug. 2009

Honors Scholarship

Harriet L. Wilkes Honors College

Sep. 2006 → May 2007

AP Scholar Award

J.P. Taravella High

Apr. 2006
